

Children's Prices (under 16 years of age)

It's easy to organise a Think Like a Pony day or a lesson with Lynn.
To book, simply telephone or e-mail Lynn to discuss your requirements.

It is preferred but not necessary that a parent or guardian stays for the duration of a child's lesson/ day to support their learning. This is to ensure that the child can continue being supported in their learning and parents can learn alongside their child.

Time duration of lesson	Cost for 1 child	Cost for 2 children
Half an hour	£15	£25
One hour	£25	£40
Half a day (2.5 hours)	£60	£100
1 day (5 hours)	Not applicable for one child under 16.	£180

Lessons at the farm are kept at a maximum of two students. This gives children the best possible experience of private tuition to excel their learning whilst keeping them safe. Children can bring their own ponies or if needed, we can provide a pony.

The maximum number of students for a clinic or days lesson away from the farm is 6. For larger groups, an assistant instructor will help with tuition in order for students to get the maximum one to one tuition.
